

**TERRI VESCIO,
Ph.D.**

**Professor
The Pennsylvania State University**

SOCIAL PSYCHOLOGY OF POWER

Dr. Theresa K. Vescio's research and publications address the relation between power and the expression of sexism, racism, ageism, and heterosexism. She is a recipient of the Gordon Allport Intergroup Relations Prize for best publication on intergroup relations.

She received the 2005 Roy C. Buck award from the Pennsylvania State University for the significant publication by a pre-tenure faculty member in the College of Liberal arts.

Dr. Terri Vescio received a PhD in Psychology from the University of Kansas.
