

Over the past three years, I have immersed myself in Jewish student organizations, research labs, a Greek affiliation, part-time jobs, and, of course, my classes. I feel humbled to be inducted into the Phi Beta Kappa Society, graduating in the top ten percent of my class, in addition to maintaining a 3.94 GPA.

I am thrilled to continue my education by pursuing a Master of Social Work at the University of Kansas, with future plans to become a clinician.

I would like to thank my parents, brother, grandparents, friends, boyfriend, and faculty for supporting me.
