

# DARYN CRAWFORD

I have loved my last 4 years here at KU and couldn't be more excited to graduate but sad to say goodbye at the same time. I loved getting to know people who shared the same interests as me and meeting my forever friends! I would like to thank my mom, dad, and brother for supporting me through these years at college and especially supporting through the pandemic, I couldn't have done it without them!

## University of Kansas Class of 2021

Bachelor of General Studies in Psychology  
Minor in Applied Behavior Science
